

“Mother-Daughter” Communications

Drug-free Solutions for Anxiety

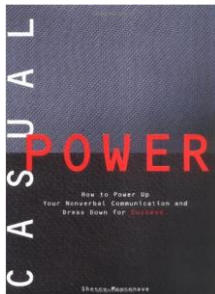

Millennials: less Intuitive & less Religious

Sherry Maysonave

An acknowledged expert in nonverbal communication, Sherry Maysonave is an acclaimed motivational speaker and award-winning author. Her clients include international companies, business executives, and nationally-known political figures and entertainers.

Sherry wrote the nonfiction, best seller ***Casual Power – How to Power Up Your Nonverbal Communication & Dress Down for Success.***

Her multi-award winning book, ***The Girl Who Could Read Hearts***, has been called out as “Insightful, Riveting, Spiritual, and Inspirational.” Sherry was intuitive as a child. The book revolves around **her life experiences** while exploring issues relevant to many of today’s socio-economic woes – prejudice, abuse, eating disorders, and limiting belief systems – while delving into the mysteries of intuition, death, and the afterlife.

Show / Story Ideas

- 1. Mothers & Daughters** – 90% of adult women say they wish their relationships with their mothers were better. How are their communications like a roaring fire? Strategies to strengthen them
- 2. Anxiety** – 40 million Americans suffer anxiety disorders. With rising addiction rates, what are effective “drug-free” solutions?
- 3. Leveraging Your Gut** – how does tapping intuition accelerate success, improve decision making, and help avoid disasters?
- 4. Tech-savvy Millennials** – 92% of millennials feel empowered by technology. Are they addicted?... and how does it affect their decision making, intuition, and nonverbal communication?
- 5. Grief** – deaths from opioid overdoses, suicide, cancer, and other diseases cause grief and depression for survivors. How does belief in an “afterlife” help individuals and families cope?
- 6. Intuitive Children** – how do parents’ mindsets stifle children’s intuition and undermine kids’ self-trust and self-confidence?
- 7. Millennials & Religion** – Millennials are the least religious generation in 6 decades. Is technology their *Higher Power*? How will they cope with deaths of parents and friends?
- 8. Career Killer** – insensitivity to nonverbal communication

Media Experience
